

Walailak University Medical center

Project Fast Fact

Location

Nakhon Si
Thammarat,
Thailand

Complete year

2018

Architect

Design + Develop

Contractor

Power line
Engineering PLC.

Owner

Walailak University

Feature products

Yale, LOCKWOOD

Challenge

The specification was locked by the competitor, but the contractor still trust in ASSA ABLOY products quality and our best service with them from MRT PURPLE LINE project. Finally our specification could change the project architect mind and let the architect agreed to support ASSA ABLOY products.

Solution

By a good relationship between us and the contractor to help to convinced the architect to open mind and finally, accept our products quality and standard.
