Challenge

Hong Leong Bank Berhad operates as a financial services company in Malaysia, Singapore, Hong Kong, Vietnam, Cambodia, and China. The company operates through Personal Financial Services, Business & Corporate Banking, Global Markets, and Overseas/International Operations segments.

The company also offers property, auto, personal, business cash, term, working capital, and onshore foreign currency loans; credit cards; share margin, loan, share, and mortgage financing services; letters of credit; and overdrafts and etc.

Solution

Being principle for the group trading unit ASSA ABLOY Malaysia has managed to secure the project with our glass hardware with new floor closer and patch fittings launched. The affordable price of these new products has won over competitors together with well known branding.
