

# Le Nouvel @ KLCC

## Project Fast Fact

### Location

Kuala Lumpur, Malaysia

### Complete year

2015

### Architect

MAA Architect

### Landscape Architect

N/A

### Owner

Wing Tai Asia

### Feature products

Mechanical key system

Electrical key system

## Challenge

Le Nouvel is built from natural environment concept. Assa Abloy Malaysia face fierce competition from other competitor like Olivary and Hafele.

## Solution

Consist of high end residential to cater for expat working in Malaysia. The beauty of this project is that they named it after a famous French designer name "Nouvel". ASSA ABLOY Malaysia supplied mechanical key and electrical key system for end user to manage its key management system smoothly.
