## Project Details

D'Sara Sentral is another quality project by Mah Sing, a Malaysia Top 10 developer. D'Sara Sentral is an integrated lifestyle residential & commercial development in the heart of Sungai Buloh that is set for completion in 2018, alongside the MRT Sungai Buloh-Kajang Line. With the gross development value (GDV) estimated to be around RM800 mil, this project consist of SoVo (smart office versatile office), retail space and serviced residences. The highlight of D'Sara Sentral will be its direct and covered bridge to the imminent MRT station, the first development to have MRT direct connection in Klang Valley.
