## Project Details

The Delhi Metro has been instrumental in ushering in a new era in the sphere of mass urban transportation in India. The swanky and modern Metro system introduced comfortable, air conditioned and eco-friendly services for the first time in India and completely revolutionized the mass transportation scenario not only in the National Capital Region but the entire country.

The Delhi Metro Rail Corporation Limited (DMRC) was registered on 3<sup>rd</sup> May 1995 under the Companies Act, 1956 with equal equity participation of the Government of the National Capital Territory of Delhi (GNCTD) and the Central Government to implement the dream of construction and operation of a world-class Mass Rapid Transport System (MRTS).

## Solution

Looking at project & client requirement, ASSA ABLOY India has proposed & supplied ANSI grade fire door hardware.
